v.

WESTFIELD HOLDINGS, LTD.,
VANCOUVER MALL II, LLC,
THE WESTFIELD GROUP,
WESTFIELD CORPORATION, INC., and
IPC INTERNATIONAL CORPORATION

UNITED STATES DISTRICT COURT

NORTHERN DISTRICT OF TEXAS

DALLAS DIVISION

**PLAINTIFFS' MOTION TO DISMISS, WITHOUT PREJUDICE,
WESTFIELD HOLDINGS, LTD AND THE WESTFIELD GROUP**

TO THE HONORABLE JUDGE OF SAID COURT:

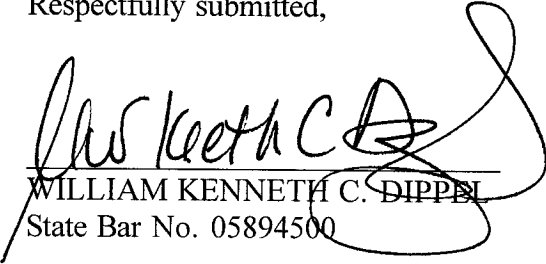

1. This is a premises liability, negligence case stemming from the savage rape of a Texas woman, while in a shopping mall "family" restroom. Plaintiffs are residents of Texas and have alleged that the mall was poorly designed\managed, and that there was inadequate security.

2. The mall is connected with one or more Westfield companies, several of which have been sued in this case. Counsel for Plaintiffs and defense counsel have met informally to streamline parties that should, and should not, be involved in this case. Plaintiffs therefore move voluntarily to dismiss Westfield Holdings, Ltd. and The Westfield Group.

3. This will leave as defendants, relative to the mall, Vancouver Mall II, LLC, and

Westfield Corporation, Inc. Also remaining as a defendant is the security company, IPC International Corporation.

Respectfully submitted,
